insights

1 most customeres are from france
2 most custmer are middile aged(30 to 45)
3 highest churnrate among german customeres 0.32 (32%)
4 females have high churnrate 0.25 (25%)
5 avg balance is 76.49k
6 avg credit score is 650
7 highest churnrate among seniors(45 to 60) 0.49 (49%)
8 highest churnrate among high product catagory (!00%)
9 in short words a german senior female with high product catagory is dangerous when considering churn rate and a youg male from france with medium product catagory is a safe bet
